**ORCID Main Contact:**
Claudia Soriano, Director of Operations, ORCID, Inc., 10411 Motor City Drive, Suite 750, Bethesda, MD, 20817 c.soriano@orcid.org, +1-347-776-6869

**Initial Term:** [DD/MM/YYYY] (“Effective Date”) until [DD/MM/YYYY]. [Initial Date should always be on or after execution by Consortium Leader.]

**Use of Trademark:** ORCID is a community-based initiative and as such, is eager to promote the participation of its Members. To that end, if the “Agree” box is checked, ORCID may use during the Initial Term and any Renewal Term Consortium Leader’s name and logos for the limited purposes of indicating that ORCID and Consortium Leader have entered into this Consortium Agreement and the ORCID License Agreement, to identify Consortium Leader as a Member of ORCID (if relevant), and to publicize any links Consortium Leader creates from its website to the ORCID website.

☐ Agree  ☐ Disagree

**Consortium Members:** Each entity listed on Exhibit 1 (a “Consortium Member”), including Consortium Leader if relevant, shall become a Member of ORCID and entitled to the Member Benefits. Exhibit 1 is a webform which can be accessed at [ ].

Consortium Leader represents and warrants that (i) it has all necessary power and authority to execute the ORCID License Agreement for itself and as agent for each Consortium Member set forth in Exhibit 1 and (ii) the ORCID License Agreement shall be legally binding upon Consortium Leader and each Consortium Member listed on Exhibit 1.

Only institutions of higher education, nonprofit organizations, and government research and funding agencies located in and organized under the laws of [COUNTRY] are entitled to be covered under the Consortium Fee (defined below), and Consortium Leader represents that each institution listed on Exhibit 1 is such an entity. Consortium Leader may update Exhibit 1 from time to time with additions subject to acceptance by ORCID.
Payment Terms:

ORCID Classification: **Consortium**

Membership Level: **Premium**

Consortium Band: *(to be completed by ORCID):*

**Consortium Fee:** *(to be completed by ORCID)* US$[ ] per year, as per the pricing schedule below. Any Consortium Member that has a pre-existing and paid ORCID membership will be deducted from the initial year fee calculation for consortia with fewer than 30 Consortium Members. Consortium Leader shall be responsible for collecting and paying the Consortium Fee to ORCID.

- 5-9 members: US$ 6000 each
- 10-19 members: US$ 5000 each
- 20-29 members: US$ 4000 each
- 30-99 members: US$ 135,000 total
- 100-250 members: US$ 200,000 total

Each Consortium Member must have its own Member API Credential(s). If at any time during the Term or a Renewal Term there are fewer than 5 Consortium Members licensed, the fees shall be adjusted to ORCID’s standard licensing fee for individual Members and the discount rate shall no longer apply effective immediately.

The Consortium Fee shall be due net 45 days from signing this Consortium Agreement. If Consortium Leader adds any additional Consortium Members during the Initial Term or a Renewal Term resulting in a change in the membership bands set forth above, ORCID reserves the right to charge additional fees which shall be due net 45 days from the date such Consortium Member is added.

Renewal fees shall be due net 45 days from the date set forth in an annual invoice sent by ORCID. Lower or higher fees based on the number of Consortium Members will be evaluated at each Renewal Term. Annual fee increases will be no more than 3% per annum (not taking into account increases in the number of Consortium Members), and ORCID will provide no less than 60 days’ advance notice to Consortium Leader of any such fee increase. Additional optional Member Benefits may become available (during a term, or at the beginning of a Renewal Term) for the same Consortium Fee or for additional charges, in ORCID’s discretion.

All payments shall be made in United States Dollars. Any undisputed payments made more than sixty (60) days after they are due and payable shall be subject to a 1.5% monthly interest charge, and ORCID reserves the right to freeze access to Consortium Members’ API Credentials until undisputed payments are made. All payments shall be made by check payable to ORCID, Inc., by credit card, or by wire transfer to ORCID. There shall be no tax withholdings deducted from any fees owing to ORCID hereunder.

**A Note about Service Providers:**

As used herein, “Service Provider” means an organization that provides services or products to other organizations based on the use of its Member API Credential(s), other Member Benefits, or the creation or authentication of ORCID iDs. Service Providers must require their customers to have their own API credentials, whether in the form of a free Public API Credential or a paid Member API Credential. For example:

- For organizations providing submission management or other services to publishers: Each publisher must have its own API credential (free Public API Credential for authentication only or paid Member API Credential for authentication, access to Limited Access Data, ability to update ORCID records, and for premium members, access to the update notification API).
- For organizations providing information systems to universities: Each university must have its own API credential (free Public API Credential for authentication only or paid Member API Credential for authentication, creation of ORCID Records, access to Limited Access Data, ability to update ORCID records, and for premium members, access to the update notification API).
Technical Support:
The Consortium Fee covers the provision of Member API Credentials for each Consortium Member set forth on Exhibit 1 plus the technical support set forth in Appendix B to the ORCID License Agreement. ORCID will provide two technical Webinars for onboarding purposes, will help to train the Consortium Technical Lead, and will provide a web interface for communication and collaboration purposes. Following the onboarding webinars, Consortium Leader shall be responsible for receiving all technical support queries from Consortium Members and forwarding those it cannot address to ORCID, onboarding each new Consortium Member and providing ongoing Tier 1 technical support to Consortium Members. ORCID will provide Tier 2 support for tickets forwarded by the Consortium Technical Lead. ORCID will issue all Member API Credentials, but credential requests should be routed through the Consortium Leader Tier 1 Helpdesk.

Notices:
Any notice required to be given by ORCID the ORCID License Agreement shall be given only to Consortium Leader’s Main Contact. It is Consortium Leader’s responsibility to keep its contact information up to date and to forward any such notice to the Consortium Members in a timely manner.

Miscellaneous: Sections 9.2 through 9.10 of the ORCID License Agreement shall apply equally to the construction, interpretation and enforcement of this Consortium Agreement.

This Consortium Agreement and any amendments may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one agreement. EACH PARTY MAY USE A PAPER (WET) OR ELECTRONIC SIGNATURE, EACH OF WHICH SHALL BE DEEMED TO BE AUTHENTIC AND EQUALLY ENFORCEABLE.

IN WITNESS WHEREOF, ORCID and Consortium Leader have caused this Consortium Agreement to be executed by a duly authorized representative.

- **Organization Name**
- **Organization Address**
- **Entity type:** Government, Non-profit
- **Trademark License:** Circle “Yes” if ORCID may use during the Initial Term and any Renewal Term the relevant Consortium Member’s name and logos for the limited purposes of indicating that Consortium Member is a Member of ORCID and to publicize any links Consortium Member creates from its website to the ORCID website. Circle “No” if such a license is not granted.
- **Main Contact: Name, Job Title, Address, Email, Telephone.** The Main Contact indicated for each Consortium Member shall be the person who represents the Consortium Member for purposes of (i) notice under the ORCID License Agreement and ORCID’s bylaws and (ii) membership voting, and who otherwise acts on behalf of Consortium Member under the ORCID License Agreement and under ORCID’s bylaws.
- **Technical Contact: Name, Job Title, Address, Email, Telephone.** The Technical Contact shall be the person responsible for managing the Member’s API Credential(s).
1. Grant of License from ORCID and Member Benefits. In addition to access to the ORCID Registry, which is available to the public under the terms set forth in the terms and conditions of use on the ORCID website, each Consortium Member shall have the Member Benefits available to ORCID premium members which shall include at a minimum those benefits set forth in this Article 1. Member Benefits may be added and amended from time to time by ORCID beyond those set forth in this Article 1, and current Member Benefits shall appear on the ORCID website. All Member Benefits are subject to the terms and conditions of this License Agreement. The license set forth in Section 1.1 and the other Member Benefits shall remain in effect for the Initial Term (or relevant Renewal Term) set forth in the Consortium Agreement (or a renewal notice), unless earlier terminated under Article 8, or restricted under Section 4.2.

1.1 Grant of License. As of the Effective Date, and subject to timely payment in full by Consortium Leader of the fees set forth in the Consortium Agreement, ORCID grants to each Consortium Member a non-transferable license to use a Member API Credential(s) to access the Member APIs, and read, deposit/edit and Use Record Data subject to the relevant Privacy Settings and terms and conditions set forth in this License Agreement. All rights not expressly granted herein are reserved by ORCID. Nothing herein shall require any Consortium Member to exercise any of the Member Benefits.

1.2 Consortium Members that are Service Providers. As used herein, “Service Provider” means an organization that provides services or products to other organizations based on the use of its Member API Credential(s), other Member Benefits, or the creation or authentication of ORCID Identifiers. Service Providers must require their customers to have their own API credentials, whether in the form of a free Public API Credential or a paid Member API Credential. ORCID reserves the right to determine if an application requires a separate API Credential; therefore, Service Providers are encouraged to discuss their plans with Consortium Leader (and ORCID if necessary) in advance of implementation.

1.3 Deposit/Edit Data. Each Consortium Member shall have the ability to deposit and edit Record Data in existing ORCID Records where the relevant Individual has granted the Consortium Member authority as a Trusted Organization, subject to the following:

(i) Each Consortium Member shall only deposit/edit the type and scope of Record Data for which it has consent from an Individual through the ORCID mechanism for granting consent to Trusted Organizations.

(ii) Each Consortium Member shall only deposit/edit Record Data that, to the best of its knowledge at the time of deposit/edit, is true and correct and is associated with the correct Individual and ORCID Identifier. If, after the time of deposit/edit, a Consortium Member becomes aware that any Record Data it deposited/edited is incorrect, the Consortium Member shall correct or inform the relevant Individual and ORCID. A Consortium Member is under no obligation to update Record Data other than to correct any Record Data that were not true and correct at the time of deposit/edit or inform ORCID and the relevant Individual that such Record Data is incorrect, and shall have no liability for ORCID’s continued Use of uncorrected Record Data after the Consortium Member has corrected it or informed the relevant Individual and ORCID.

(iii) If a Consortium Member deposits/edits any links to articles, blogs, data sets or other works which may be subject to intellectual property protection, it shall only do so in a manner that does not to its knowledge violate the copyright or other intellectual property rights of a third party.

(iv) Subject to the terms and conditions of this License Agreement, each Consortium Member grants to ORCID a fully-paid, royalty-free, non-exclusive, worldwide, perpetual, irrevocable license for any and all rights necessary to allow ORCID and the public to Use such deposited/edited Record Data, subject to any Privacy Settings.

1.4 Data Searching, Downloads and Alerts. Each Consortium Member shall have access to the Member APIs to query the ORCID Registry and download Record Data, including Limited Access Data if granted the right by the relevant Individual or Trusted Individual. In addition, each Consortium Member shall have access to a periodic usage and data file containing Public Data and Limited Access Data to which it has been granted access by the relevant Individual or Trusted Individual.

1.5 Technical Support. ORCID will provide Consortium Leader and the Consortium Members with the technical support set forth in Appendix B. Technical support must be coordinated through the Technical Contact set forth in the ORCID Consortium Agreement and in Exhibit 1. Consortium Leader will collect all technical support inquiries, determine the issue, and where able to, provide assistance. Only if Consortium Leader cannot resolve an issue shall ORCID provide technical support. ORCID will issue all API Credentials, but credential requests should come through Consortium Leader.

1.6 Privacy Enforcement. If a Consortium Member both mandates the use of ORCID Identifiers and facilitates their collection using the ORCID APIs, the Consortium Member shall have the right, but not the obligation, to enforce on behalf of any Individual who it has mandated to use an ORCID Identifier ORCID’s privacy commitments to the Individual as set forth in the ORCID Privacy Policy.
1.7 Nominations for ORCID Board & Participation in Governance Matters. Individuals representing each Consortium Member may exercise a Consortium Member’s voting rights and be nominated to serve on the ORCID Board of Directors, consistent with ORCID’s Bylaws which are available on the ORCID website; provided, however, that only one such person from the Consortium Members may be a Director at any given time. The person indicated by Consortium Leader as the Main Contact on Exhibit 1 for each Consortium Member shall be the person who represents the Consortium Member for purposes of notice, membership voting and otherwise exercising the Consortium Member’s rights as a member under ORCID’s Bylaws. (Consortium Member may change the name of the Main Contact through Consortium Leader’s support desk.)

1.8 Limitations on Consortium Member’s Use. Each Consortium Member is prohibited from and agrees to the following restrictions:

(i) Not to allow any other entity to use its Member API Credential(s) except to assist that Consortium Member on the Consortium Member’s own behalf;

(ii) Not to disclose to any other person or entity Limited Access Data unless (a) such data is publicly available from another source, or (b) the Consortium Member provides advance notice to the Individual how and to whom such data will be disclosed;

(iii) Not to deposit/edit types of data other than those permitted by a specified field, and not to include any full works in such fields (in other words, only metadata and links to works may be deposited/edited and not texts of articles, blogs, or publications and datasets);

(iv) Not to deposit, edit, or modify any ORCID Record in a manner that knowingly makes it false, untrue, misleading or libelous in whole or in part, or knowingly make use of any ORCID Record in any manner that does any of the foregoing or violates the rights of publicity or privacy of any Individual;

(v) Not to use any Record Data to contact any Individual for marketing purposes without giving the Individual the right to opt-out of such marketing communications;

(vi) Not to use Record Data to send “junk mail,” “spam,” “chain letters,” “pyramid schemes,” or similar schemes;

(vii) Not to use Record Data to harass, abuse or harm another person;

(viii) Not to override, circumvent, or disable any encryption features or software protections employed to protect the security of the Member API Credential(s), the ORCID Registry or Record Data;

(ix) Not to manipulate ORCID Identifiers to disguise the origin of any Record Data; knowingly upload or post any Record Data that contains software viruses or any other computer code, files, or programs designed to interrupt, destroy, or limit the functionality of any software, hardware, or telecommunications equipment; or intentionally interfere with or disrupt ORCID servers or networks;

(x) Not to use any or all of the Member API Credential(s) or its Member Benefits to create a service or product that allows organizations to obtain the benefits of those Member Benefits without being an ORCID Member; and

(xi) Not to use any or all of the Member API Credential(s), the Member Benefits, the Member APIs, or the ORCID Registry in violation of this License Agreement, or in any manner that is otherwise illegal in the United States of America (“U.S.”) and the jurisdiction in which the Consortium Member is located, if other than the U.S.

1.9 Limitations on ORCID’s Use. ORCID shall only use and make available via the ORCID Registry and the Public Data File Record Data as permitted by this License Agreement, and to the extent that any Record Data is edited or removed as permitted by this License Agreement, the viewable ORCID Registry and future Public Data Files shall reflect such changes.

2. Intellectual Property Ownership.

2.1 Ownership of ORCID Registry and Marks. As between the parties, ORCID owns all rights, title, and interest, including without limitation, applicable database rights, in and to the ORCID Registry and the software developed by ORCID, the System Data, the Member APIs, the Member API Credential(s), and the ORCID Marks, as defined in Section 2.2 (collectively, the “ORCID Intellectual Property”); provided, however, ORCID Intellectual Property does not include any individual data elements in the ORCID Registry. ORCID makes its Registry software available under an open source license whenever legally possible. (See Open Source Project on the ORCID website.)

2.2 Use of ORCID Trademarks. Consortium Leader and each Consortium Member is encouraged to use ORCID’s name, logo, and other trademarks (the “Marks”) to announce its status as a consortium leader (in the case of Consortium Leader), their use of the ORCID Registry and their status as members of ORCID (in the case of Consortium Leader only if it is also a Consortium Member), provided that Consortium Leader and each Consortium Member correctly identifies the Marks as a trademark under U.S. and other laws if requested by ORCID. (See Trademark and iD Display Guidelines on the ORCID website.) Consortium Leader and each Consortium Member may not use the Marks in any way likely to cause confusion as to the origin of goods or services or to suggest endorsement by ORCID, except as specifically approved by ORCID in writing.

3. Delivery and General Support.

3.1 Requirements and Modifications. ORCID is responsible for hosting the ORCID Registry, the associated internal ORCID hardware (the “ORCID Hardware”) and the network connections from the ORCID Hardware to the Internet. Each Consortium Member is solely responsible for establishing and maintaining its own hardware (the “Member Hardware”) and the network connections from the Member Hardware to the Internet (the “Member Network”) as it deems necessary to provide its access to, and use of, the ORCID Registry and the Member APIs.

3.2 Unavailability of the ORCID Registry. ORCID shall use commercially reasonable efforts to provide continuous availability of the ORCID Registry and the Member Benefits. However, Consortium Leader and each Consortium Member recognize that the ORCID Registry and the Member Benefits may not be available from time to time due to maintenance of
the server(s), the installation or testing of software, and
downtime relating to equipment or services outside the control
of ORCID including, but not limited to, telecommunications
services or Internet nodes or facilities; provided, however, that
ORCID shall give Consortium Leader reasonable advance notice
of any downtime within ORCID’s reasonable control.
3.3 Premium Membership. In addition to the other
commitments set forth in this License Agreement, ORCID shall
provide a notification API and custom reports and data files.
Premium benefits also include the ability for each Consortium
Member to be issued up to five (5) Member API Credentials for
use in different system integrations at the same organization.

4.1 Data Protection. ORCID shall use commercially reasonable
efforts to protect the security and integrity of the ORCID
Registry (including, without limitation, Member API Credentials,
passwords, usernames, and IP addresses) and Record Data, as
set forth in its Privacy Policy, including storing information in a
data center with restricted access and monitoring, using secure
socket and intrusion detection software, and hashing for
passwords. ORCID shall promptly notify Consortium Leader
upon learning of any material security breach related to a
Consortium Member’s API Credential(s) or upon ORCID’s
determination that there has been a material breach of the
security of the ORCID Registry generally.
4.2 Protection of the Member API Credentials, the ORCID
Registry and ORCID Record Data. Each Consortium Member
agrees to use its Member API Credential(s) only as set forth in
this License Agreement, and shall take reasonable efforts to
protect its Member API Credential(s) from any security
breaches or other use that is in violation of this License
Agreement or applicable law. Consortium Leader shall be liable
for its intentional misconduct or negligent use of the Member
API Credentials, except in the event that it establishes that a
security violation is due to ORCID’s fault. Each Consortium
Member shall be liable for its intentional misconduct or
negligent use of its Member API Credential(s), except in the
event that it establishes that a security violation of its Member
API Credential(s) is due to ORCID’s fault. Consortium Leader
and each Consortium Member shall notify ORCID promptly
upon (i) learning of any violation or alleged violation of this
License Agreement or security of a Member API Credential or
the ORCID Registry or (ii) becoming aware that any Record Data
the Consortium Member has deposited/edited violates or may
violate the rights of privacy, publicity or other rights of an
Individual. Furthermore, Consortium Leader and each
Consortium Member shall cooperate fully with ORCID in
investigating and curing violations or alleged violations,
including, without limitation, assisting ORCID in providing
Individuals with any required notices. Additionally, ORCID may
(without limiting any other remedies ORCID may have) impose
temporary restrictions on use of Member API Credential(s) and
access to the ORCID Registry until the violation is cured.
4.3 Monitoring and Gathering Usage Data. To protect the
security of Member API Credentials and the ORCID Registry
against unauthorized uses and to learn about the uses made of
the ORCID Registry and the Member APIs, ORCID may monitor
activity and use of ORCID APIs and API Credentials.
5. Fees. Consortium Leader shall make payments to ORCID,
under the terms set forth in the Consortium Agreement. ORCID
reserves the right to charge additional fees for any additional
Member Benefits that become available and that Consortium
Leader elects to license on behalf of the Consortium Members
during the Initial Term or Renewal Term. Each Consortium
Member shall be solely responsible for all costs associated with
its Member Hardware (as defined in Section 3.1), its Member
Network (as defined in Section 3.1) and establishing its access
to and use of the Member API Credential(s), the ORCID Registry
and Member Benefits. As between ORCID and Consortium
Leader, Consortium Leader shall be solely responsible for sales,
use, or other taxes or other costs and fees relating to each
Consortium Member’s use of the Member API Credential(s), the
ORCID Registry, and the Member Benefits other than taxes
based upon or credited against ORCID’s income.

6. Disputed Data; Withdrawal of Data from the ORCID
Registry. ORCID shall assist in resolving disputes between users
(including, without limitation, between Individuals, Consortium
Members, and other Members) of the ORCID Registry regarding
ORCID Identifier ownership claims, data accuracy and integrity,
and Individual identity, in accordance with policies and
procedures set forth in the ORCID Dispute Procedures, which is
incorporated herein by reference. Notwithstanding the
foregoing, ORCID makes no representation about, and shall not
be responsible for the accuracy of data deposited in the ORCID
Registry. ORCID reserves the right to remove from the ORCID
Registry and its servers any Record Data or disable access to
parts of the ORCID Registry as it deems necessary.

7. General Representations and Warranties, Disclaimers,
Limitation of Liability. Each of ORCID and Consortium Leader
represents and warrants that it has the authority to enter into
this License Agreement, and to bind its organization to the
terms and conditions herein. Each of ORCID and Consortium
Leader further represents and warrants that it has caused the
Consortium Agreement to be executed by a duly authorized
representative. Consortium Leader further represents and
warrants that it has the authority to act on behalf of and legally
represent and bind to this License Agreement each Consortium
Member listed on Exhibit 1, and that, by executing the
Consortium Agreement, it has done so. Except as set forth
herein, no party makes any representations or warranties
regarding (a) the accuracy of Record Data; (b) misuse of Record
Data by third parties; (c) freedom from defamation or
infringement of rights of privacy though use of the Record Data;
(d) lack of viruses, bugs or other impairments to computer
systems and software; and (e) links to other websites and
content found therein.

7.1 Disclaimer. OTHER THAN THE EXPRESS REPRESENTATIONS
AND WARRANTIES STATED IN THIS LICENSE AGREEMENT, THE
ORCID REGISTRY, RECORD DATA, THE PUBLIC DATA FILE, THE
MEMBER API CREDENTIAL(S), THE MEMBER APIs, AND/OR THE
MEMBER BENEFITS (individually and collectively, the “ORCID
SYSTEM”) ARE PROVIDED ON AN “AS IS” BASIS, AND ORCID

AND ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, AND REPRESENTATIVES (individually and collectively, the “ORCID PARTIES”) DISCLAIM TO THE FULLEST EXTENT PERMITTED BY LAW ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES OF ANY KIND (EXPRESS, IMPLIED, ORAL, OR WRITTEN) RELATING TO THE ORCID SYSTEM, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF QUALITY, PERFORMANCE, COMPATIBILITY, MERCHANTABILITY, AND/OR FITNESS FOR A PARTICULAR PURPOSE.

7.2 Limitation of Liability. TO THE FULLEST EXTENT PERMITTED BY LAW, THE AGGREGATE LIABILITY OF EACH PARTY (INCLUDING ITS TRUSTEES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS AND REPRESENTATIVES) IN CONNECTION WITH THE CONSORTIUM AGREEMENT AND THIS LICENSE AGREEMENT SHALL NOT EXCEED TWO TIMES THE FEES DUE TO ORCID UNDER THE CONSORTIUM AGREEMENT DURING THE INITIAL TERM OR THEN-CURRENT RENEWAL TERM. IN NO EVENT SHALL THE PARTIES (INCLUDING THEIR TRUSTEES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS AND REPRESENTATIVES) BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES. FOR THE AVOIDANCE OF DOUBT, ANY PAYMENTS FROM CONSORTIUM LEADER OR A CONSORTIUM MEMBER TO ORCID IN CONNECTION WITH A CLAIM BY A THIRD PARTY AGAINST ORCID SHALL NOT BE DEEMED TO BE AN INDIRECT OR CONSEQUENTIAL DAMAGE FOR PURPOSES OF THE PRECEDING SENTENCE.

7.3 Consortium Liability. (i) Consortium Leader shall ensure that each Consortium Member is fully aware of the terms and conditions of this License Agreement and shall take reasonable steps to ensure that each Consortium Member uses the ORCID Registry and exercises the Member Benefits in compliance with the terms and conditions of this License Agreement. Consortium Leader shall be liable for its own acts, omissions and breaches under the Consortium Agreement and under this License Agreement, including, without limitation, its obligation to pay Fees under Article 5, its obligations under this Section 7.3(i), and its representation and warranty that it has the authority to enter into this License Agreement on behalf of each Consortium Member. (ii) Each Consortium Member shall be liable for its own acts, omissions and breaches under this License Agreement.

8. Term and Termination.

8.1 Term/Renewal Term. This License Agreement shall continue in effect for the period set forth in the Consortium Agreement. Prior to the end of the any term, ORCID shall provide a renewal notice/invoice to Consortium Leader setting forth the expiration date for the then-current term, the dates of the renewal term, the relevant fees for the renewal term, and the due date for such fees (which shall be net 45 days from the commencement of the renewal term). Consortium Leader shall have 30 days from the date of such renewal notice/invoice to provide a counter-notice to ORCID if it intends not to renew the Consortium Agreement and this License Agreement. Each Renewal Term shall be one (1) year and shall commence the first day following the end the Initial Term or a Renewal Term.

(unless otherwise set forth in a renewal notice from ORCID). A renewal shall not require signature of the parties, and shall be deemed to have occurred if Consortium Leader does not provide a counter-notice of termination within such 30-day period. Failure to make timely payment in absence of a waiver from ORCID shall result in an automatic termination upon notice from ORCID, effective as of the end of the then-current term.

8.2 Termination without Cause. ORCID shall have the right to terminate the Consortium Agreement and this License Agreement at the end of the Initial Term or any Renewal Term by providing at least 60 days’ notice prior to the end of the term. Consortium Leader may terminate the Consortium Agreement and this License Agreement by providing ORCID with a counter notice in response to the renewal notice/invoice as described in Section 8.1.

8.3 Termination for Breach. (i) Termination for cause by Consortium Leader. In the event that Consortium Leader believes ORCID has materially breached any obligations, representations, or warranties under the Consortium Agreement or this License Agreement, it shall so notify ORCID in writing. ORCID shall have 10 days from the receipt of such notice to cure the alleged breach and to notify (in writing) Consortium Leader that such cure has been effected. If the breach is not cured within the 10-day period, Consortium Leader shall have the right to terminate the Consortium Agreement and this License Agreement immediately upon written notice. (ii) Termination for cause by ORCID. In the event that ORCID believes that Consortium Leader or a Consortium Member has materially breached any obligations, representations, or warranties under this License Agreement (or the Consortium Agreement in the case of Consortium Leader), it shall so notify Consortium Leader in writing. Consortium Leader/Consortium Member shall have 10 days from the receipt of such notice to cure the alleged breach and to notify (in writing) ORCID that such cure has been effected. If the breach is not cured within the 10-day period, ORCID shall have the right to terminate this License Agreement with respect to the Consortium Member immediately upon written notice; provided, however, that if the breaching party is Consortium Leader, ORCID shall have the right to terminate the Consortium Agreement and this License Agreement with respect to both Consortium Leader and each Consortium Member. Nothing in this Section 8.3 shall limit ORCID’s rights under Section 4.2.

8.4 Effect of Termination. Upon the termination or expiration of this License Agreement (and/or the Consortium Agreement with respect to Consortium Leader), whichever occurs first, access to the Member API Credential(s) and Member Benefits for each Consortium Member shall be immediately terminated. (a) Termination of Specific Member. If the termination applies only to a specific Consortium Member (rather than Consortium Leader generally), such Consortium Member shall be removed from Exhibit 1 of the Consortium Agreement, and only such Consortium Member’s access to the Member API Credential(s) and the Member Benefits shall terminate. To the extent that a Consortium Member has deposited/edited any Record Data, such Record Data will remain in the ORCID Registry unless
removed by an Individual or designated Trusted Individual(s) and Trusted Organizations before termination, or by ORCID pursuant to Article 6. Notwithstanding the foregoing, each Consortium Member shall have the ability to correct any information it discovers is incorrect after termination by informing ORCID about the inaccuracy, and ORCID shall seek to promptly correct the inaccuracy with the Individual and/or through the ORCID Dispute Procedures for conflicting claims regarding data. In the event of termination or expiration of a specific Consortium Member, this License Agreement shall not automatically terminate with respect to Consortium Leader or the other Consortium Members. (b) Termination of Consortium Leader. In the event of the termination or expiration of Consortium Leader, ORCID shall have the option of terminating each Consortium Member’s rights hereunder as well, in which case it will allow each non-breaching Consortium Member to enter into an ORCID member license agreement directly with ORCID at the individual member rate.

8.5 Survival. The provisions of Appendix A (Definitions), Section 1.3(ii) (correction of Record Data), Section 1.3(iv) (License to ORCID), Section 1.8 (ii) (use of Limited Access Data), Section 1.9 (Limitations on ORCID’s Use), Section 2.1 (Ownership of ORCID Registry and Marks), the last sentence of Section 2.2 (use of ORCID Trademark), Article 6 (Dispute Procedures), Article 7 (General Representations and Warranties, Disclaimers, and Limitation of Liability), this Article 8 (Term and Termination), and Article 9 (Miscellaneous) shall survive any termination or expiration of this License Agreement and continue in effect.

9.1 Entirety of the Agreement. The terms and conditions of this License Agreement, including Appendix A (Definitions), Appendix B (Consortium Member Support Services), the Privacy Policy, the Member Benefits, and the ORCID Dispute Procedures, each of which is incorporated herein by reference, together with Exhibit 1 to the Consortium Agreement, shall supersede all prior oral and written agreements between the parties with respect to the subject matter of this License Agreement and shall constitute the entire agreement between the parties with respect to its subject matter. For the avoidance of doubt, the Consortium Agreement shall remain in full force and effect and is not superseded by this License Agreement.

9.2 Agreement Modifications. In order to account for the evolution of ORCID and its sustainability and to operate in compliance with the laws in multiple jurisdictions, ORCID reserves the right to modify this License Agreement, provided that (i) no such modification will be retroactive; (ii) ORCID will provide Consortium Leader with 60 days’ advance written notice of any such modifications; and (iii) if any such modification (a) increases the liability exposure of Consortium Leader or a Consortium Member, or (b) changes the ownership of any intellectual or real property of any party, such written notice shall be in hard copy format (and not email) to the Main Contact listed on the Consortium Agreement. Continued acceptance of the terms and conditions of this License Agreement is a condition of the Member Benefits and the licenses granted hereunder. If Consortium Leader objects to any such modifications, Consortium Leader may terminate this License Agreement (effective as of the effective date of such modifications) by providing written notice to ORCID prior to the effective date, and ORCID will provide Consortium Leader with a pro-rata refund. Except as set forth in this Section 9.2, and elsewhere herein (e.g., the Privacy Policy, the ORCID Dispute Procedures, and increases in the Member Benefits, and update of contact information), all amendments to this License Agreement must be made in writing and signed by the ORCID and Consortium Leader.

9.3 Notices. Any notice required to be given by ORCID hereunder shall be given only to Consortium Leader’s Main Contact. It is Consortium Leader’s responsibility to keep its contact information up to date and to timely forward any such notice to each Consortium Member. All notices given pursuant to this License Agreement shall be in writing in English and sent as follows: (i) by internationally recognized courier (e.g., FedEx, UPS), or (ii) by electronic mail, except as set forth in Section 9.2. Notice shall be deemed given and received on the next business day following the scheduled delivery date for courier and the next business day following the date sent for electronic mail. Either ORCID or Consortium Leader may from time to time change the name and contact information on the Consortium Agreement and on Exhibit 1 by providing notice to the other party in accordance with this Section.

9.4 Disputes/Governing Law. This License Agreement shall be interpreted under and governed by the laws of the State of New York, United States, excluding any laws that might direct the application of the laws of another jurisdiction. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded, if applicable. Except as set forth in the ORCID Dispute Procedures (which shall govern the disputes described therein), if any disputes arising out of or relating to this License Agreement cannot be resolved in an amicable manner, they shall be resolved through a desk arbitration administered by the American Arbitration Association in the case of domestic disputes and the International Centre or Dispute Resolution of the American Arbitration Association in the case of international disputes (either, the “AAA”) governed by its applicable rules, as modified by the following: (i) regardless of the amount in controversy, the matter shall be determined by one arbitrator familiar with the information technology sector based upon written submissions in English and one or more telephonic hearings in English (as determined by the arbitrator); (ii) the parties shall submit documents pertaining to the arbitration consistent with AAA rules and as directed by the arbitrator; and (iii) the arbitrator shall render a final binding decision 14 days after the arbitrator declares the hearing closed. A judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Notwithstanding the foregoing, any party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or may, without waiving any remedy under this License Agreement, seek from any court located in New York, New York, United States (and ORCID, Consortium Leader and each Consortium Member consents to such jurisdiction) injunctive or any other type of equitable relief that is necessary to protect the
rights or property of that party, pending arbitration or final determination of the merits of the controversy via arbitration. Consortium Leader and Consortium Members acknowledge that unauthorized use of the Member API Credential(s), the ORCID Registry, and/or security breaches might cause ORCID irreparable harm.

9.5 Limitation on Assignment. Except as expressly set forth herein, no party may assign, subcontract or sublicense (collectively, “transfer”) its rights and obligations under this License Agreement (or the Consortium Agreement with respect to Consortium Leader) in whole or in part, without the prior written consent of Consortium Leader (for Consortium Leader or Consortium Member) or ORCID, as relevant, which shall not be unreasonably withheld, and any transfer to the contrary shall be null and void; provided, however, that a transfer by ORCID (including, without limitation, transfer by ORCID of the ORCID Registry) in the event of a merger, other corporate restructuring or dissolution, shall be permissible without prior consent, provided that (a) the transferee agrees to be bound by the terms of this License Agreement, (b) notice is provided to Consortium Leader (for Consortium Leader or Consortium Member), (c) such assignee is a nonprofit entity capable of fulfilling ORCID’s obligations hereunder and to Individuals under the Privacy Policy, and (d) ORCID has followed any relevant procedures under its Bylaws with respect to such transfer.

9.6 No Agency, Joint Venture or Partnership. Nothing contained herein shall be deemed to create an agency, joint venture, or partnership. (Notwithstanding anything to the contrary herein, this License Agreement is not intended to impact any pre-existing such relationship between Consortium Leader and Consortium Member.)

9.7 No Third Party Beneficiaries. This License Agreement has been executed for the sole benefit of ORCID, Consortium Leader and the Consortium Members and is not intended for the benefit of any third party, regardless of any laws to the contrary.

9.8 Waiver or Invalidity of any Provision. Waiver of any provision herein shall not be deemed to be a waiver of any other provision herein, nor shall waiver of any breach of this License Agreement be construed as a continuing waiver of other breaches of the same or other provisions of this License Agreement. If any provision(s) of this License Agreement is/are held to be invalid, illegal, unenforceable, or in conflict with the law of any jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

9.9 Force Majeure. No party shall be in breach of this License Agreement to the extent a failure to perform an obligation hereunder results from a condition(s) that is beyond its reasonable control, including, but not limited to, strikes, labor disputes, terrorist acts, or governmental requirements.

9.10 Drafting. This License Agreement shall not be construed or interpreted against ORCID as the drafter.

Appendix B to the ORCID License Agreement: Consortium Member Support Services

What ORCID requires:

- A consortium technical lead ("Technical Lead") coordinated by Consortium Leader who can answer common technical questions of the Consortium Members (Tier 1) and refer other questions to ORCID support (Tier 2). The Technical Lead will be responsible for receiving all Consortium Member help desk tickets, addressing common questions (see training, below), and escalating tickets to the ORCID Help Desk.

- Consortium Members will provide Consortium Leader with basic information about the members, contacts, local help desk, and integration efforts that ORCID can direct users to if they have questions (Exhibit 1 of the Consortium Agreement). Consortium Members will seek consent from any individuals informing them of the disclosure of this information to Consortium Leader and ORCID. This information will be provided to ORCID by Consortium Leader and may be listed on the consortium community portal provided by ORCID.

- Consortium Members will provide notification to Consortium Leader when launching an integration or starting a drive to encourage user registration to enable coordination across new releases. Consortium Leader will relay this notification to ORCID.

- If over 30,000 researchers will be asked to register in a period of less than one month, Consortium Member will use best efforts to notify Consortium Leader in writing at least 35 days in advance. Consortium Leader will use best efforts to notify ORCID at least 30 days in advance and may be requested to provide temporary support staff to work with ORCID or provide a regularly staffed help desk ORCID can refer users to during the period of increased ticket volume.

- If English is not a common language among researchers at a particular Consortium Member, ORCID may ask Consortium Leader to provide translations of answers to ORCID’s most common technical questions, particularly questions about why researchers should register with ORCID. The Consortium Member receiving any such translation services shall reimburse Consortium Leader for any expenses incurred for such services.

What ORCID provides:

- Support for two (2) one-hour technical onboarding calls, led by Consortium Leader and Technical Lead.

- Training for the Consortium Technical Lead, including a mini-course, weekly check-ins, assistance with planning onboarding webinars, and development of a consortium FAQ.

- All resources on the Knowledgebase (including documentation, videos and slides) and a summary page of consortium-specific links that Consortium Leader can distribute to its Consortium Members.

- Access to the API Users forum for questions, some of which may be answered by the community, not directly by ORCID support, to supplement the direct support from the Consortium Lead Technical Support team.

- Tier 2 English-language technical support via the normal channels (support@orcid.org, or using the help webform) during ORCID business hours.

- In addition to these resources, ORCID may work with Consortium Leader to develop an online consortium interface hosted through the orcid.org site. Information and communication within these online communities would be used by Consortium Members to share implementation and engagement practices and to provide peer-level support, including features such as FAQs, Help desk forum/tickets, listservs, Wikis, and event calendars. For consortia numbering 30 Consortium Members or more, ORCID may offer an in-person kick-off meeting with technical support. Smaller consortia interested in this service are requested to provide travel support (plane and hotel) for 2 persons.
